### Important info to read if leaving your deer with us:

- We will refuse any trim not properly handled and pre-ground meat will not be accepted.
- Make sure your meat is clean and well packaged to avoid upcharge at our discretion (up to \$100).
- All processed deer items (excludes fresh cuts) used in ground products are batched together to meet minimum 25 lb batch size.
- If you want your own deer back for ground products there is a 25 pound minimum for one flavor and an extra \$50 fee.
- When your order is complete we will notify you by email and text. All orders must be picked up and paid for within ten days after you are notified. A fee of \$1/day after 10 days may be assessed unless arrangements are made.
- We do not accept deer for the HUSH program but we will take donated deer.
